

YOUNG
kitchen system

Anta piena / Plain door

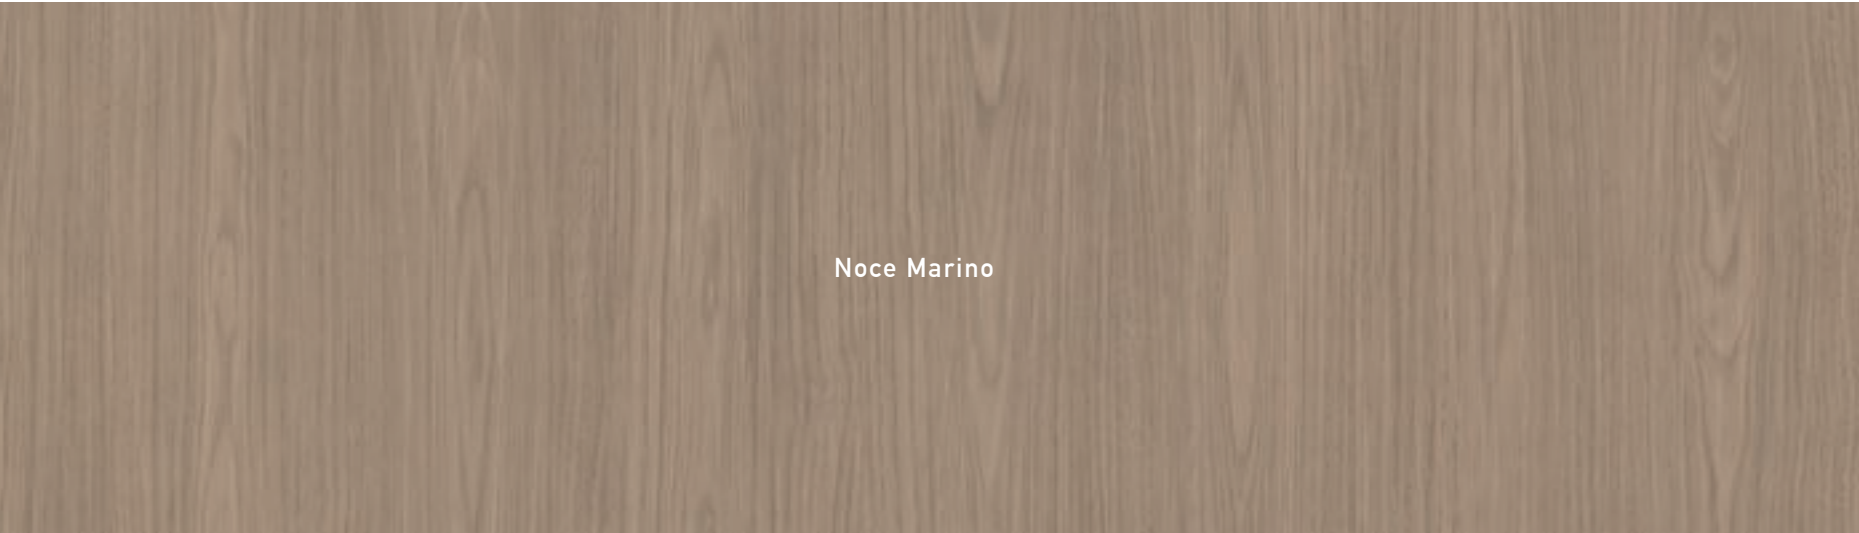

Anta con presa Step / Door with Step handle grip

La nuova cucina Young è configurabile con due tipologie di anta: anta piena e anta con presa Step. Due sono i sistemi di apertura: maniglia e gola per anta piena, solo gola per presa Step. Nuove finiture, nuove matericità e tinte unite: con Young è possibile creare abbinamenti e accostamenti originali, per esprimere la propria personalità in cucina.

The new Young kitchen can be configured with two types of door: a plain one or one with a Step handle grip. There are two opening methods: a handle or groove for the plain door, a groove only for the Step handle grip. New finishes, new textures and plain colours: Young lets you create original pairings and combinations to express your own, individual personality in the kitchen.

Nobilitato Legno / Wood-effect melamine

Nobilitato Tinta Unita / Plain coloured melamine

Nobilitato Pietre / Stone-effect melamine

Presa Step disponibile per tutte le finiture, tranne Pietra Giada e Pietra Corallo

Scegliere l'apertura giusta è importante per rendere la cucina adatta alle proprie esigenze o abitudini, ma anche per personalizzarla con un dettaglio di stile.

It's important to choose the right opening method to adapt the kitchen to one's own needs or habits and also to customise it with a stylish detail.
